

28 July 2009

**Basic Competency Assessment**  
**Using New User Name for the Redeveloped Student Assessment System**

Dear Principal,

The Redeveloped Student Assessment (SA) System will be launched for both primary and secondary schools on 30 July 2009. Thank you in advance for your support in using the SA system.

In order to update the schools with the changes and new requirements due to the Redeveloped SA System, attached please find 'Information to School Users' about user accounts, school data, assessment data and E-survey. Please note that we also attach data for the affected school users requiring the changes.

The usernames and passwords used in the existing Student Assessment System can be used in the Redeveloped SA System which will be effective from 30 July 2009 onwards on the new BCA website <http://www.bca.hkeaa.edu.hk>. Should you have any enquiries, please call our BCA Hotline on 3628 8177.

Thank you for your support again.

Yours sincerely,

CHAI YIP Wai-lin, Teresa (Dr.)  
General Manager – Education Assessment Services
