**Hong Kong Diploma of Secondary Education Examination 2020**  
**Registration of School Candidates for Category A and Category B Subjects**  
**Selection of Subjects**

The September Registration of the 2020 HKDSE covers **Category A and Category B subjects**. The number of subjects entered in the June and September 2019 registrations will be combined and the total number is limited to a maximum of eight subjects. Candidates entering for eight subjects should make sure that at least one of the subjects chosen comes from the following areas:

- (a) Ethics and Religious Studies / Music / Physical Education / Visual Arts in Category A
- (b) Applied Learning subjects in Category B
- (c) Other language subjects in Category C

**1. Registration for Category A subjects**

- (a) 24 Senior Secondary subjects will be offered in the Category A examinations. In any subjects examinable in both Chinese and English, candidates may enter for one language version only in the same Examination.
- (b) For subjects with a School-based Assessment (SBA) component, schools are required to fulfill the SBA requirements for the subjects entered by candidates of their schools. The HKEAA will not accept entries for subjects from candidates presented by schools which have not joined the SBA scheme for those subjects.
- (c) School candidates who repeat Secondary 6 (S6) in schools have to be re-assessed in S6 and meet the SBA requirements of the respective subjects entered. If the schools do not offer the elective subject(s) that the candidates wish to re-take in the examination, the candidates may apply for exemption from the SBA for the particular subject(s). The candidates' subject result will be based entirely on their public examination result (see also **Regulation 7.9**). This special exemption does not apply to the core subjects – Chinese Language, English Language and Liberal Studies. **Application for exemption must be submitted to the Authority on or before 11 September 2019.** Schools should fill in the application form (available for download from the main page of HKDSE Examination Online Services from 4 September 2019) and submit it to the Authority for consideration together with the relevant supporting documents.
- (d) Schools presenting their students for any practical subjects which require laboratory / workshop facilities (i.e. Biology / Chemistry / Physics / Combined Science / Integrated Science / Design and Applied Technology / Technology and Living) should have declared that they can provide the laboratory / workshop facilities for practical work.
- (e) Candidates entering for the subjects Business, Accounting and Financial Studies / Design and Applied Technology / Ethics and Religious Studies / Information and Communication Technology / Music / Technology and Living / Visual Arts are required to choose the papers / modules for which they wish to enter. Candidates entering for the Music / Physical Education examination are required to make a selection of musical instruments / physical activities. Candidates entering for Music Paper 4B but have not been exempted from the relevant examination must perform on the instrument(s) and / or voice chosen upon registration. Performance on extra instrument(s) or voice not chosen during registration will not be assessed by examiners. On the other hand, candidates who fail to perform on all instrument(s) and / or voice chosen during registration will

receive a mark penalty. The relevant requirements of Paper 2 and Paper 4B are stipulated in the 2020 HKDSE Examination Regulations and Assessment Frameworks which is accessible from the HKEAA website at [www.hkeaa.edu.hk](http://www.hkeaa.edu.hk) → HKDSE → Assessment Information → Subject Information. Schools should also read **Part 2** of the '**Guides to Schools for Preparing Entries (September Registration)**' at **Annex 2** for details about the entry of registration data for these subjects in the Registration System.

- (f) Candidates entering for the Mathematics examination may choose to take either the Compulsory Part only or the Compulsory Part plus one of the modules of the Extended Part. As the Compulsory Part and the Extended Part of Mathematics are counted as one subject only, candidates must choose the same language version for both parts.
- (g) Candidates entering for the subjects Biology / Chemistry / Physics / Combined Science / Integrated Science may enter for only one subject in each of the following groups in the same Examination:
  - Group 1: Biology, Integrated Science, Combined Science (Biology & Chemistry), Combined Science (Biology & Physics)

## 2. Registration for Category B (Applied Learning) subjects

- (a) The 36 Category B Applied Learning (ApL) subjects approved by the Education Bureau are developed by course providers.

Schools should submit the entry of these candidates for 'ApL subjects only' via the Registration System within the registration period. S4 or S5 repeaters entering for 'ApL subjects only' as school candidates are not required to seek special approval from the HKEAA or submit supporting documents via their school. Endorsement will be given by the school principal upon confirmation with the course provider(s) via clicking the related declaration in the Registration System before the submission of entries so that their result of the ApL subject(s) will be shown on their 2020 HKDSE results notice and certificate (if applicable). Schools are requested to remind your S4 or S5 repeaters (if any) that if they do not register for the ApL subjects this year, the ApL subject results will not be shown on the 2020 HKDSE results notice and certificate (if applicable) nor be carried forward to the 2021 HKDSE and beyond. If the application is not accepted, the Authority will notify the candidate concerned via his/her school in due course.
- (d) An S6 repeater may re-take the same ApL subject(s) as a school candidate in the 2020 HKDSE with the support of the course provider(s) concerned, subject to the proviso that the Y2 ApL assessment results to be submitted to the HKEAA for moderation should form at least 50% of the subject total. ## 8. Choice of Examination Centre District

8.1 While every effort is made to allocate candidates according to the choice of district as indicated on their entries, the actual allocation will be subject to the availability of examination accommodation in various districts. **The choice of district is not applicable to speaking examinations, practical examinations and small-entry subjects.** Subsequent applications for change of district will only be considered for candidates with valid reasons.

8.2 School principals are requested to advise their students to choose the district in which they live, as the Authority's marking and grading systems are designed to be completely independent of district choice. For details about the examination districts, schools and candidates should refer to the **'Instructions to Applicants'** which will be available for download from the Registration System and the HKEAA website on [www.hkeaa.edu.hk](http://www.hkeaa.edu.hk) from 11 September 2019.

Change of Choice of Examination Centre District	Supplementary Fees	How to apply
On or before 5 December 2019	No charge	The candidates concerned should inform the SEO of their schools to update the choice of district for them on the Registration System directly before the stipulated deadline.
Between 6 December and 14 December 2019	\$414 per application	The candidate will be required to apply in person or via an authorised representative at the HKEAA Southern Centre office and pay a supplementary fee at the time of application.
After 14 December 2019	\$826 per application	Application after 14 December 2019 will normally <b>not be accepted</b> , unless there are justifications.

## 9. Withdrawal from the Examination

9.1 Candidates who wish to withdraw from the 2020 HKDSE must inform the HKEAA via their School Principal by completing the relevant form and returning to the HKEAA Southern

Centre office **on or before 30 November 2019**. The form will be available for download from the Registration System main page.

- 9.2** No refund of supplementary fee (if any) is payable if a subject is deleted at the candidate's request.
- 9.3** If the candidates have sat any Category C subject (November 2019 Series) examinations and/or their Category B (ApL) marks have been submitted to the HKEAA, the results of the Category B/C subject(s) concerned will be retained and be shown on their 2020 HKDSE results notice and certificate (if applicable). Under such circumstances, only partial deletion of Category A subjects instead of withdrawal from the examination would be accepted while a partial refund of the examination fees for the Category A subject(s) after the deduction of an administration fee will be made to the Government. **No refund** of the examination fees will be made to the Government if the requests are received **after the above deadline** except under special circumstances.

## 10. Handbook for Candidates and Admission Forms

### 10.1 Handbook for Candidates

Hardcopies of the 'Handbook for Candidates' will not be provided to candidates. Candidates should download the electronic version of the Handbook which will be available on the HKEAA website in mid-December 2019 while a few hardcopies will be provided to schools.

### 10.2 Admission Forms

- (1) The admission forms for Category A subject examinations will be issued to school candidates in mid-February 2020 through their schools.

## Hong Kong Diploma of Secondary Education Examination (HKDSE) 2020

### Registration of School Candidates for Category A and Category B subjects

#### Supplementary Information for Schools Using WebSAMS

Schools should refer to the Examination Circular No. (2) 2019/2020 when reading this document.

#### School Choosing to Use WebSAMS for Registration of Candidates

1. Schools may choose to use the HKEAA module within the Web-based School Administration and Management System (WebSAMS) to process examination entries for the coming HKDSE. Schools may join the WebSAMS on a voluntary basis for the purpose of examination processing in 2020. In case the following circumstances are applicable, principals of schools are requested to complete the attached reply slip and return it to the Authority by fax (Fax No.: 3628 8990) on or before **Monday, 9 September 2019**.
  - (1) For schools that have used WebSAMS for the September Registration of the 2019 HKDSE as listed at *Attachment 2(b)*, it is assumed that they will continue to use the HKEAA module of the WebSAMS to transmit the examination entries to the Registration System. As such, principals of these schools need **not** complete the reply slip. Should any school principals **decide to the contrary**, they are requested to inform the Authority using the reply slip provided.
  - (2) For schools intending to use the HKEAA module of the WebSAMS to transmit the examination entries to the Registration System but are **not** on the school list at *Attachment 2(b)*, please inform the Authority by completing the reply slip and return it to the Authority by the above deadline.

#### Points to Note for Using WebSAMS

##### 2. WebSAMS System Upgrade

Schools using WebSAMS should upgrade the WebSAMS BUILD version **3.0.0.30072019 or above** which is now available for download from the WebSAMS download site.

##### 3. Parameter File

The Authority will transmit the Parameter File including the subject and component table for the 2020 HKDSE to each school on **Monday, 9 September 2019**. Schools should decrypt the CDS message at CDS module (CDS > Incoming Msg) and import the Parameter File at the HKEAA module (HKEAA > HKDSE > Data Communication > Process Incoming Data). If the Parameter File was not received by **4:00 pm, 9 September 2019**, schools concerned should contact the Public Examinations Information Centre (PEIC) of the HKEAA at 3628 8860 as soon as possible.

#### 4. Steps to be Processed in WebSAMS

WebSAMS schools should follow the steps below to prepare their candidates' entry data for the September registration by transmitting the data file(s) via CDS:

##### **Step 1: Start Inter-Year Processing (IYP) or Migrate to New School Year**

According to Regulation 3.2 of the 2020 HKDSE Examination Regulations, only bona fide S6 students or S4/S5 repeaters who are going to complete Applied Learning courses in the school year 2019/2020 may enter for the 2020 HKDSE. In this connection, schools are required to start the IYP to promote their students to Secondary 6 and attach subjects to the students for the school year 2019/2020 using the 'Plan New School Year' and 'Student' functions on WebSAMS if they have not done so. For details, please refer to the 'WebSAMS User Manual on Inter-Year Processing'.

##### **Step 2: Maintain Subject Mapping and Examination Language**

It is most important for schools to maintain the mapping of the subjects to be entered by their students in WebSAMS to the Category A and Category B subjects of the HKDSE as well as mapping the language version and paper (if required) at the HKEAA module (HKEAA > HKDSE > Subj Mapping & Exam Lang > School Subject) and HKEAA module (HKEAA > HKDSE > Subj Mapping & Exam Lang > APL Subject). Schools can click the hyperlink 'Outstanding Subject Mapping and Exam Lang Status List (R-HKE049)' to check whether there is any missing subject mapping.

##### **Step 3: Maintain Registration Data**

- (1) As a preliminary check on student particulars data prior to the extraction of registration data, schools may make use of the Report 'Student with Missing/Invalid Particulars (HKDSE Registration) List' (R-HKE050) at the HKEAA Module (HKEAA > HKDSE > Report) to detect any relevant data errors and then take follow up action accordingly.
- (2) Schools should generate the candidates' entries through the 'Maintain Registration Data' function at the HKEAA module (HKEAA > HKDSE > Maint HKDSE Reg Data). Please note that **only the selected candidate records will be generated and transmitted through the WebSAMS CDS module to the HKEAA Registration System. Schools should carefully check the subjects\* (including ApL subjects, if applicable) and the selection of paper(s) for each student in this step.**
- (3) Schools may use the 'Batch Amendment' function to modify the language version and paper(s) for their students by batch.
- (4) To facilitate the HKEAA in contacting candidates or disseminating important examination-related information to them via email or SMS in case of emergency, the candidates should be asked to provide their email addresses (mandatory) and SMS phone numbers (optional). Schools may update the above information in the corresponding student's profile in the Student module (Student > Profile > Address).

\* Remark: For the subjects of Music and Physical Education, schools must enter the supplementary information (e.g. selection of musical instruments/physical activities, application for paper exemption for the subject of Music) of individual candidates into the HKEAA Registration System one by one.

#### **Step 4: Confirm Fee Remission**

Student Finance Office (SFO) will transmit the result data file for student financial assistance by batches to schools via CDS. Although all the school candidates, regardless of having passed the means test or not, **need not** apply for Examination Fee Remission (EFR), schools are still required **to confirm** the examination fee remission of those eligible candidates in the HKEAA module for the registration of 2020 HDKSE before transmitting the file(s) to the HKEAA Registration System. The level of assistance to all school candidates will be set as 'Full' in the HKEAA Registration System after transmission.

#### **Step 5: Transmission of Data Files from WebSAMS to the HKEAA Registration System**

Schools should confirm the generation of data file **by class** in the HKEAA module (HKEAA > HKDSE > HKDSE > Data Communication > Prepare Outgoing Data). Once the data file(s) of specific class(es) is/are confirmed, CDS message(s) will be created in the CDS module. Schools should preview and encrypt the specific message(s) at CDS module (CDS > Outgoing Msg) before the start of transmission. In case of any transmission failure, schools should resend the data file again as soon as possible. Re-transmission after the closing date of registration is **not** allowed and will be regarded as late entries.

After the file(s) has/have been successfully transmitted to the HKEAA Registration System, SEO should proceed with the follow-up steps in the Registration System, including modifying individual candidates' entries (if necessary), inputting supplementary information for the subjects of Music/Physical Education (if any), printing Candidate Entry Information Checklists (CEIC) for distribution to candidates for checking and confirmation of their entry data and submission to Principal for endorsement. Principals should endorse all candidates' entries before 8 October 2019. **Any late submission after 8 October 2019 will incur a supplementary fee.**

5. For more details about using WebSAMS for preparing the examination entries and CDS transmission, please refer to the relevant information in WebSAMS Central Document Repository [website :<http://cdr.websams.edb.gov.hk> > 參考資料 ] or Section 2.1.1 to 2.1.7 of the WebSAMS User Manual on HKEAA module.
