INSTRUCTIONS TO CANDIDATES

Notes: Candidates sitting the Category C Subjects (Other Languages – November 2014/June 2015 Series) of the 2015 Hong Kong Diploma of Secondary Education (HKDSE) Examination are strongly advised to read carefully the ‘Instructions to Candidates’ as it contains important information relating to their participation in the examination. Candidates are advised to familiarise themselves with the regulations, procedures and instructions laid down in the ‘Instructions to Candidates’ when taking the examination. For details regarding the examination syllabus, please refer to the HKEAA website (www.hkeaa.edu.hk ➔ HKDSE ➔ Assessment Information ➔ Subject Information).

A. ADMISSION FORM

Your HKDSE Candidate Number is shown on your Admission Form and you must use this number throughout the 2015 HKDSE. Check that the information printed on your Admission Form e.g. name, HKID number, gender and subjects/papers are correct. School candidates should report any discrepancy through their schools to the School Examinations and Assessment Division, Hong Kong Examinations and Assessment Authority (HKEAA) by post (Address: 12/F, Southorn Centre, 130 Hennessy Road, Wanchai, Hong Kong), fax (3628 8928) or email (dse@hkeaa.edu.hk) for amendment on or before 3 October 2014 (November 2014 Series)/28 February 2015 (June 2015 Series). Private candidates should inform the HKEAA by post, fax, email or in person (or through an authorised representative) at the HKEAA Southorn Centre office with the original copy of the Admission Form and supporting documentary evidence such as HKID card, birth certificate or statutory declaration for verification by the aforesaid deadlines.

B. BAD WEATHER CONDITIONS

1. The announcement of closure of schools due to a tropical cyclone or the issue of the Red Rainstorm Warning does not necessarily imply the postponement of an examination scheduled to be held on the day. However, all examinations will normally be postponed when a Typhoon Signal No. 8 or above is hoisted, or when a Black Rainstorm Warning is issued. If weather conditions are doubtful, you should listen to the radio or television broadcast or check out the HKEAA website at www.hkeaa.edu.hk about the examination schedule right up to the time you plan to leave for the examination centre.

2. Unless a specific announcement has been made by the HKEAA that the examination has been postponed due to bad weather conditions, the examination will be conducted as originally scheduled. However, you should consider your personal safety first and if you have genuine difficulties in reaching the examination centre, you should contact the HKEAA on 3628 8860 before the examination begins. Special consideration will be given to individual cases depending on the circumstances.
C. ILLNESS DURING AN EXAMINATION

Although no supplementary examination will be arranged for all papers, help may be given in the case of serious illness. The main categories are as follows:

1. Hospitalised Candidates

If a candidate is hospitalised, he/she may apply to take the examination in the hospital, provided that
- the doctor’s certifies that the candidate is fit to take the examination;
- the candidate’s relatives can submit the application together with the letter of authorisation and other necessary documents at least 24 hours before the examination.

2. Seriously Ill Candidates

(i) If a candidate is seriously ill and unable to sit the examination, Cambridge International Examinations (CIE) may offer special consideration in giving an assessed mark on the paper that the candidate was absent from provided that the candidate has completed a minimum of 50% of the assessment measured in terms of the weighting given to each paper in the syllabus.

Application procedures:
- The candidate concerned must make sure that a telephone call is made to the HKEAA on 3628 8860 before the examination begins. S/he should immediately consult a registered medical practitioner and be able to produce the original copy of the medical certificate stating clearly the illness and for how long s/he is unfit to sit an examination.
- The candidate must submit a written request within 3 calendar days from the date of examination to the Secretary General of the HKEAA. The application must be accompanied by supporting evidence such as the original copy of the medical certificate. The case will then be submitted to CIE for consideration.

(ii) If you have contracted a highly contagious disease (e.g. Measles, Chickenpox), you must NOT go to the examination centre. If you are eligible for an assessment of your subject result, you should apply to CIE via the HKEAA in accordance with the procedures mentioned above.

(iii) If you fall ill in an examination centre and cannot continue with the examination, you should not assume that the Centre Supervisor will handle the matter for you. If you want to request CIE to offer special consideration to your results, you must apply in writing to the Secretary General of the HKEAA within 3 calendar days after the date of examination.

3. Other Unforeseeable Circumstances

- Assessment may also be given in rare cases where candidates can prove that they were physically unable to be present at the examination centre due to unforeseeable circumstances (e.g. being trapped in a lift or personally involved in a traffic accident or representing Hong Kong in international events) or where
they are overtaken by a family tragedy such as the death of a member of their immediate family.

- Requests for special consideration from candidates with symptoms of examination tension and minor illness will NOT be entertained. Such candidates need not telephone the HKEAA on the examination day.

If you do not seek help from an invigilator at the time the undesirable conditions arise but ask for special consideration after the examination, the request will **NOT** be entertained.

   **Note:** Information on the provision of air-conditioning at an examination centre is indicated on the Admission Form. Candidates are advised to bring a jacket with them to an air-conditioned examination centre. Subject to the actual weather condition, individual examination centres may decide whether or not to turn on the air-conditioners. Claims of performance being affected by unsuitable room temperature in an examination room will **NOT** be entertained.

4. Centre Supervisors are asked to write the actual start time and end time of an examination session on a blackboard and remind candidates of the time left at 15 and 5 minutes before the end of each examination session. **You must bring your own watch** to time the examination as not all examination centres will have a clock. The examination time for each paper is printed on the cover of the question paper /Question-Answer Book for candidates’ reference.

However, you must not turn over the pages of the question paper/Question-Answer Book and must not start working until you are instructed to do so. Otherwise, you will receive a mark penalty.

6. During the examination, if you anticipate the need for extra paper for your answers, you should raise your hand to alert an invigilator for an additional Answer Booklet before your Answer Booklet/Question-Answer Book runs out, as invigilators may not be able to attend to your request immediately. Make sure that you affix a candidate label and sign on the cover of every additional Answer Booklet you have used during the examination. No extra time will be given to you to stick the candidate label, write the question numbers or sign after the examination. Answer Booklets/Question-Answer Books not correctly identified may not be marked.

8. All question papers/Answer Booklets/Question-Answer Books (used or unused) given to you and the remaining candidate labels MUST be returned to the HKEAA at the end of the examination.

9. Write in dark blue or black pen on both sides of the paper. Rough work must be done in the Answer Booklets and be neatly crossed through without being made illegible. Use a ruler to draw a line across the page after each answer.

10. Do not remove any sheets from any Answer Booklet/Question-Answer Book. Otherwise, you risk a mark penalty or even disqualification from the examination.

11. If you need to go to the toilet, you must raise your hand to summon an invigilator. The invigilator will record your candidate number and the time you leave the examination hall/room for the toilet.

12. Leaving early will only be allowed during the permitted period in an examination (see D5 above). If you wish to leave early, you must first tie up your papers, make sure that you have affixed a candidate label on your Answer Booklet/Question-Answer Book, signed and written the question numbers in the designated spaces on your Answer Booklet. You should then raise your hand to summon an invigilator. The question papers must not be taken away from the centre.

13. ALL question papers/Answer Booklets/Question-Answer Books and the remaining candidate labels must be handed in. NO MATERIALS DISTRIBUTED TO YOU
CAN BE TAKEN AWAY UNDER ANY CIRCUMSTANCES. Any infringement of the regulations may lead to disqualification of the candidate. The decision on disqualification rests with CIE.

You are not allowed to hold any stationery or work on your Answer Booklet/Question-Answer Book including affixing candidate label, using an eraser, filling in question numbers or signing on your Answer Booklet/Question-Answer Book after the “Stop working” announcement. If you try to do so, the Centre Supervisor or invigilators may assume that you are trying to change an answer, and this will lead to a mark penalty. At the end of the examination, invigilators will collect candidates’ answer scripts. You should only leave the examination hall/room when instructed by the Centre Supervisor.

2. You must not discuss or disclose by any means the contents of the paper with any person who has not taken the examination for 24 hours after taking the examination. If you do so you will automatically be disqualified from the subject being taken.

The last section begins with fairly straightforward questions about your background and interests, and moves quickly on to a more mature conversation discussing more abstract and/or current issues within the general topic areas. This section lasts for around 8-9 minutes.

9. Throughout the examination, a timer will be clearly displayed so that you will be fully aware of how much time you have left. If you find the timer not working, you should report to the oral examiner immediately.

5. Candidates who are not satisfied with CIE’s decision on their cases and have valid reasons or new evidence to substantiate their claims may apply for appeal review **within 5 calendar days** upon the issue of the notification.
