Hong Kong Diploma of Secondary Education Examination 2013
(Category C Subjects – Other Languages)

November 2012/June 2013 Series

INSTRUCTIONS TO CANDIDATES

Notes: Candidates sitting the Category C Subjects (Other Languages – November 2012/June 2013 Series) of the 2013 Hong Kong Diploma of Secondary Education (HKDSE) Examination are strongly advised to read carefully the ‘Instructions to Candidates’ as it contains important information on the examination. Candidates are reminded to abide by the regulations laid down in the ‘Instructions to Candidates’ when taking the examination. For details of the examination syllabus and marking scheme, please refer to the HKEAA website (www.hkeaa.edu.hk → HKDSE → Subject Information).

A. ADMISSION FORM

Your HKDSE Candidate Number is shown on your Admission Form and you must use this number throughout the 2013 HKDSE Examination. Check that the information printed on your Admission Form e.g. name, ID number, sex and subjects/papers are correct. School candidates should report any discrepancy through their schools to the School Examinations and Assessment Division, Hong Kong Examinations and Assessment Authority (HKEAA) by post (Address: 12/F, Southorn Centre, 130 Hennessy Road, Wanchai, Hong Kong), fax (3628 8928) or email (dse@hkeaa.edu.hk) for amendment on or before 5 October 2012 (November 2012 Series)/28 March 2013 (June 2013 Series). Private candidates should inform the HKEAA by post, fax, email or in person (or through an authorised representative) at the HKEAA Wanchai office with the original copy of the Admission Form and supporting documentary evidence such as identity card, birth certificate or statutory declaration for verification by the aforesaid deadlines.

B. BAD WEATHER CONDITIONS

1. The announcement of closure of schools due to a tropical cyclone or the issue of the Red Rainstorm Warning does not necessarily imply the postponement of an examination scheduled to be held on the day. However, all examinations will normally be postponed when a Typhoon Signal No. 8 or above is hoisted, or when a Black Rainstorm Warning is issued. If weather conditions are doubtful, you should listen to the radio or television broadcast or check out the HKEAA website at www.hkeaa.edu.hk about the examination schedule right up to the time you plan to leave for the examination centre.

2. Unless a specific announcement has been made by the HKEAA that the examination has been postponed due to bad weather conditions, the examination will be conducted as originally scheduled. However, you should consider your personal safety first and if you have genuine difficulties in reaching the examination centre, you should contact the HKEAA on 3628 8860 before the examination begins. Special consideration will be given to individual cases depending on the circumstances.
C. ILLNESS DURING AN EXAMINATION

Although no supplementary examination will be arranged for all papers, help may be given in the case of serious illness. The main categories are as follows:

1. Hospitalised Candidates

If a candidate is hospitalised, he/she may apply to take the examination in the hospital, provided that
- the doctor’s written permission is obtained;
- the candidate’s relatives can submit the application together with the necessary documents at least 24 hours before the examination.

2. Seriously Ill Candidates

(i) If a candidate is seriously ill and unable to sit the examination, Cambridge International Examinations (CIE) may offer special consideration in giving an assessed mark on the paper that the candidate was absent from provided that the candidate has completed a minimum of 50% of the assessment measured in terms of the weighting given to each paper in the syllabus.

Application procedures:
- Candidates concerned must make sure that a telephone call is made to the HKEAA on 3628 8860 before the examination takes place. They should immediately consult a registered medical practitioner and be able to produce a medical certificate stating clearly the illness and how long they are unfit to sit an examination.
- They must submit a written request within three days from the date of examination to “The Secretary General” of the HKEAA. The applications must be accompanied by supporting evidence such as medical certificates. The case will then be submitted to CIE for consideration.

(ii) If you have contracted a highly contagious disease (e.g. Measles, Chickenpox), you must NOT go to the examination centre. If you are eligible for an assessment of your subject result, you may apply to the HKEAA in accordance with the procedures mentioned above.

(iii) If you fall ill in an examination centre and cannot continue with the examination, you should not assume that the Centre Supervisor will handle the matter for you. If you want to request CIE to offer special consideration to your results, you must apply in writing to “The Secretary General” of the HKEAA within three days after the date of examination.

3. Other Unforeseeable Circumstances

- Assessment may also be used in rare cases where candidates can prove that they were physically unable to be present in the examination centre due to unforeseeable circumstances (e.g. being trapped in a lift or personally involved in a traffic accident or representing Hong Kong in international events) or where they are overtaken by a family tragedy such as the death of a member of their immediate family.
• Requests for help from candidates showing symptoms of examination tension and minor illness are NOT entertained. Such candidates need not telephone the HKEAA on the examination day.

D. GENERAL INSTRUCTIONS

    such regulations as laid down in the ‘Instructions to Candidates’. Candidates should
    abide by the regulations when taking the examination.

No extra time will be given to you to stick the candidate label, write the question numbers or sign after the examination.
