Advanced Subsidiary (AS) level question papers from Cambridge International Examinations (CIE) will be used for these six language subjects.

All six other language subjects will be offered in the November 2018 series. Although French and Spanish will be offered in both November 2018 and June 2019 series, candidates may enter for the same subject only once in the same examination year. The total number of subjects entered in both examination series will be combined and is limited to a maximum number of subjects in an examination year (see Regulation 2.8).

2.8 Candidates may take up to a maximum of eight subjects. These subjects may come from Categories A, B or C. If a candidate chooses to take the extended part of Mathematics, the result of the extended part will be reported separately from the compulsory part. The extended part is not regarded as an additional subject. For candidates choosing eight subjects, at least one of the subjects chosen must come from the following areas:

- (a) Ethics and Religious Studies/Music/Physical Education/Visual Arts in Category A

2.9 A candidate may only enter for the Examination either as a school candidate or as a private candidate but not both in the same examination year.

PARTICIPATION IN THE EXAMINATION BY SCHOOLS

3.1 The participation of schools in the Examination shall be subject to the prior approval of the HKEAA. At the time of application for participation, the school should provide evidence that it is a registered school and is running courses and operating classes in accordance with the Education Bureau registration requirements; and that the school agrees to comply with the examination regulations. The Authority may seek advice from the Education Bureau where necessary. In its consideration and determination of an application, the Authority reserves the right to refuse such an application and to make such conditions, in addition to those conditions contained within these Regulations, as it considers appropriate.

3.2 Only bona fide Secondary 6 students of registered schools approved for participation may be entered as school candidates. The students must be studying at the registered address of the schools. The principal's certification to this effect will be required at the time of registration. Exceptional entry for Applied Learning subjects only at Secondary 4 or Secondary 5 is subject to special approval from the Authority (see Regulation 2.5).

3.3 Schools wishing

- (1) to enter candidates for the first time; or
 - (2) to enter candidates for any subject that requires laboratory/workshop facilities for the first time,
- must make a written application to the Secretary General of the HKEAA for approval by 30 June, three years preceding the Examination.

3.4 Schools are required to apply for first participation in HKDSE and comply with the following

conditions:

- (1) Schools will be required to make a declaration that they must make their school premises available as may be required for the conduct of examinations and place their teaching staff at the reasonable disposal of the HKEAA (see Regulation 3.5). For schools that cannot comply with the requirement, the Authority reserves the right to ask such schools to meet the costs incurred by hiring other examination venues and/or invigilators to accommodate their candidates.
- (2) Schools will have to submit the application by 30 June, three years before the Examination.
- (3) For some subjects, schools will have to declare that they can provide the laboratory/workshop facilities for practical work. These subjects include Biology, Chemistry, Design & Applied Technology, Physics, Integrated/Combined Science and Technology & Living.

3.5 Schools presenting candidates for the Examination must provide teaching staff to undertake invigilation duties in relation to the total number of subject entries. For schools that are unable to provide examination venues or teaching staff to serve as invigilation staff in a particular year, application for exemption must be made to the Secretary General before 30 September of the year preceding the Examination with valid reasons. Schools that do not have proper venues or cannot provide examination venues are required to provide extra invigilation staff. Schools that are unable to provide the required number of invigilation staff may, at the discretion of the Secretary General, be allowed the option of paying the costs of hiring invigilators.

3.6 For school candidates, there will be a School-based Assessment (SBA) component for the following subjects:

Biology
Chemistry
Chinese Language
Chinese Literature
Design and Applied Technology
English Language
Health Management and Social Care
Information and Communication Technology

Literature in English
Physics
Integrated/Combined Science
Technology and Living
Visual Arts

Schools are required to fulfill the SBA requirements for subjects entered by candidates of their schools. The Authority will not accept entries for subjects from candidates presented by schools which do not join the SBA scheme.

School candidates who repeat Secondary 6 in schools have to be re-assessed in S6 and meet the SBA requirements of the respective subjects entered. If the schools do not offer the elective subject(s) that the candidates wish to re-take in the examination, the candidates may apply for exemption from the SBA for the particular subject(s). The candidates' subject result will be based entirely on their public examination result (see also Regulation 7.9). Special approval must be sought from the Authority prior to registration. This special exemption does not apply to the core subjects – Chinese Language, English Language and Liberal Studies.

3.7 Compliance by schools with Regulations 3.4 to 3.6 will be regarded as a condition of participation in the Examination.

- 3.8** The Secretary General will notify schools of the decisions of the Authority under Regulations 3.1 and 3.3, normally not later than 31 August, three years preceding the Examination. Any appeal against the Authority's decisions under Regulations 3.1 and 3.3 should be made in writing to the Secretary General within 30 days from the date of the above notification.
- 3.9** Under exceptional circumstances, a school may be given provisional approval for participation in the Examination or in a subject that requires laboratory/workshop facilities; the final approval being subject to the school fulfilling the conditions under which the provisional approval was given.
- 3.10** Participation in the Examination and in subjects that require laboratory/workshop facilities will be subject to annual review by the Authority. The Secretary General will inform schools of any decision of the Authority to withdraw permission for the schools to participate or to impose conditions for continued participation, normally not later than 31 August, three years preceding the Examination.
- 3.11** Notwithstanding Regulation 3.10, the Authority may by notice rescind the participation of any school upon receipt of notification from the Education Bureau that:
- (1) the registration of the said school under the terms of the Education Ordinance (Cap. 279) has been cancelled; OR

- 3.13** The list of schools approved for participation in the Examination together with approved subjects that require laboratory/workshop facilities is available at the Authority's offices, District Offices and the Authority's web site (www.hkeaa.edu.hk) from 1 September in the year preceding the Examination.
