

Message regarding 2009 HKALE Economics Paper 2 Section A

The HKEAA would like to apologise for the inconsistent information given on page 4 of HKALE Economics Paper 2 Section A - Multiple Choice Questions. The background information given for questions 7 and 8 is about a closed economy while some of the data provided are about an open economy. Therefore, these two items cannot effectively assess candidates' ability and have to be deleted. The two items carry approximately one percent of the total subject mark.

The HKEAA is deeply concerned and will conduct a thorough review to improve moderation procedures.
