ABRSM Diploma Exams 2019  
Examination Circular  
(For details about ARSM, please refer to the ABRSM Practical Exam Entry Form) 

1. Date, Time and Place of Examination 
Candidates will be assigned to take the examination at a specified time between 9:00am (approximate) and 5:30pm on any date (normally from Tuesday to Saturday, excluding general holidays) during the entire examination period of the specified administrations (i. April / May, ii. August, iii. October / November 2019). Preference regarding the area (Hong Kong or Kowloon) and examination month may be indicated on the entry forms but very often, due to the relatively shorter examination period and uneven distribution of the demand and supply of examination time-slots/venues, there can be NO GUARANTEE that all preferences will be met.

The ABRSM requires all candidates to be present for examination according to the date, time and place specified on the Notices of Exam Appointment. ABRSM reserves the right not to accept any entry.

3. Notice of Exam Appointment
Notice of Exam Appointment will be sent to the applicants by post in late March (for the April / May administration), in July (for the August administration) or in September (for the October / November administration) when they are ready. It is subject to the schedule of ABRSM and may vary without prior notice. Please telephone the Authority if this document is not received by the time specified. Candidates should note carefully the date, time and place of the examination and report to the waiting room supervisors 15 minutes before the scheduled time. Examiners may refuse to examine late-comers. Each candidate should bring an identification document which bears his/her photograph to the examination for identification purposes.

4. Examination Results
According to the ABRSM, it will take a minimum of two months for the examination results to reach the applicants.

5. Change of Address
Examination results and certificates will be sent to applicants when they are ready. Applicants should inform the Authority in writing if their address or contact telephone number has been changed.

6. Syllabuses & Regulations
Limited free copies of the syllabuses from 2005 are available at the Authority’s San Po Kong Office. They may also be sent to candidates upon request and provision of a stamped and self-addressed 9” x 12” sized envelope. Please contact the Authority for postage required.

Any issues about the examination must be raised in writing within seven days after the examination.

General: No one is allowed to listen outside the examination room, nor is anyone allowed to remain near the door except the waiting room supervisors or other ABRSM representatives. Candidates may not bring any unauthorized material or equipment into the examination room. Any candidates infringing this rule may be disqualified. Examinations will be conducted in English.

Photocopies: Examiners in the past reported cases of candidates playing their pieces from photostat copies. Candidates are reminded that the copyright law forbids the reproduction of published materials and action may be taken against those who present themselves for examinations using photostat copies of the test pieces. Examiners have been asked to report any such cases which come to their notice. Examiners may refuse to examine candidates who do not observe this regulation.

Accompanists: Candidates must provide their own accompanist in instruments where an accompaniment is required. Their teacher may act as the accompanist but the examiner will not do so. Accompanists must therefore be punctual. Attention should be paid to the capability of the accompanist.

Stringed and Wind Instrument: Candidates examined in stringed or wind instruments are reminded that their instruments need to be tuned to the piano in the examination room immediately before the examination. Examiners should not be expected to help with the tuning.

Bulky instruments: Organ, double bass, harp, harpsichord or percussion candidates should make their own arrangements for their exam venue. Their instruments should be set in a suitable room, which should contain a writing table and chairs for two examiners, is easily accessible and free from noise and other disturbances. Please also ensure a socket with 3 rectangular pinholes is available near the writing table. Transportation for the examiners must be provided without cost to the ABRSM or the Authority. Please refer to the syllabus for details. Applicants will be contacted later to provide details of examination venue.

As stipulated in ABRSM Exam Information & Regulations, applicants hosting a Visit have a duty of care towards examiners as well as candidates and their escorts and, as such, they are advised to carry out a risk assessment and to make appropriate arrangements to comply with health and safety legislation. ABRSM or HKEAA cannot accept liability for any damage, injury, expense or loss (including consequential loss) incurred during the course of a Visit.

Appeal against Interpreter: Candidates who wish to appeal against the manner in which an appointed Interpreter conducted his/her duties in a Diploma examination may request ABRSM to arrange for an independent listening of the recording of the entire examination to take place in strictest conditions in order to assess both the quality and accuracy of the spoken translation from English to Cantonese and from Cantonese to English. Upon payment of 50% of the current Diploma registration fee ABRSM will arrange for a team of three independent listeners to conduct an assessment of the Interpreter’s work. If the appeal is upheld then the appeal fee will be returned to the candidate and the examination result may (or may not) be brought into question if it is decided that the Interpreter was in any way responsible for any confusion or inaccuracies. In the first instance where an appeal of this nature is identified a candidate should make the appeal within a 2-week period of the examination date itself and certainly before results are issued.
