Dear Principal

2013 HKDSE Examination Statistical Reports

To provide feedback to schools on the performance of their students in the 2013 HKDSE Examination and to facilitate the teaching of relevant subjects in schools, the Authority will make available the Examination Statistical Reports for Individual Schools for ordering by schools.

The Examination Statistical Reports for Individual Schools will include item-level analysis of the performance of schools (at both school and class levels) in all onscreen marked papers / subjects in the 2013 HKDSE Examination as well as the statistical analysis of the schools' entries and results compared with day school candidates. The statistics of all subjects with multiple-choice questions / papers will also be included.

Both the School Report and the Class Report consist of four sections and some statistics of two years (2012 & 2013) are used for comparison. The percentage difference in performance between the school / class and day schools is highlighted with different colours. A sample showing the contents and the special features of the Report is available for download from the HKEAA website at http://www.hkeaa.edu.hk/en/schools_and_teachers for your ease of reference. In compiling the class reports, the class name (e.g. Class 6A, 6B) is used to identify different classes in the same format as the Reference Numbers generated from the WebSAMS. It should also be noted that the school report and class report(s) are produced where at least five candidates have sat the examination in Category A subjects. If the school has only one class (i.e. the statistics for the school and the class are identical), only the school report will be produced.

Charges for the above reports are as follows:

| | |
|--|------------------|
| School report | \$2,426 per copy |
| Class report | \$1,579 per copy |
| (One CD-ROM containing the PDF files of the reports is included) | |

To facilitate your school in choosing the reports, a summary of the school and class reports available to your school together with the relevant charges are given on the attached order form. Please return the completed order form, together with the required fees (by cash or by cheques made payable to "Hong Kong Examinations and Assessment Authority"), to the HKEAA Southorn Centre office (Address: 12/F, Southorn Centre, 130 Hennessy Road, Wan Chai) on or before **25 October 2013**.

If the order form and payment from your school are received on or before the above deadline, we will provide the softcopy of the Reports (i.e. the CD ROM) in mid-November 2013 and the printed copies of the Reports in mid-December 2013. However, if your school order is submitted after the deadline, the delivery date of the Reports will be postponed correspondingly. Please also note that we may not be able to provide the printed copies of the Reports if the order is received too late.

In case of enquiries, please contact Mr. K.W. Lok (Tel. No. 3628 8950).

Yours sincerely,

Margaret Hui (Ms)
