Dear Principal

2015 HKDSE Examination Statistical Reports

To provide feedback to schools on the performance of their students in the 2015 HKDSE and to facilitate the teaching and learning of the relevant subjects in schools, the Authority will make available the Examination Statistical Reports for Individual Schools for ordering by schools.

The Examination Statistical Reports for Individual Schools will include item-level analysis of the performance of schools (at school, class and teaching group levels) in all onscreen marked subjects in the 2015 HKDSE, as well as the statistical analysis of the schools' entries and results compared with all day school candidates. The statistics of all subjects with MC papers will also be included. Starting from the 2015 examination, Teaching Group Reports are introduced for Category A subjects with school-based assessment, which will be provided in the form of a CD-ROM.

Both the School Report and the Class Report consist of four sections and the statistics of three years (2013 to 2015) are used to indicate the trend. The Teaching Group Report is similar to the Class Report with a maximum of three years' statistics. The percentage difference in performance between the school / class / teaching group and all day schools is highlighted with different colours. For your ease of reference, the contents and special features of the reports are available for download from the HKEAA website at http://www.hkeaa.edu.hk/en/our_services/exam_stat/.

In compiling the Class Reports, the class name (e.g. Class 6A, 6B) is used to identify different classes (Reference Numbers generated from the WebSAMS are of this format). It should be noted that the School Report and Class Report(s) are produced where at least five candidates have sat the examination in the Category A subjects. If the school has only one class (i.e. the statistics for the school and the class are identical), only the School Report will be produced. The Teaching Group Reports are produced only for Category A subjects with school-based assessment provided that there are two or more teaching groups with at least five candidates in the teaching group having sat the examination. In compiling the Teaching Group Reports, the teaching group name of the SBA subject is used to identify different teaching groups. Please also note that the Class / Teaching Group Reports will only be produced together with the School Report.

Charges for the above reports are as follows:

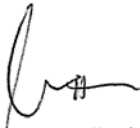

School Report (printed copy and softcopy)	\$2,612 per copy
Class Report (printed copy and softcopy)	\$1,700 per copy
Teaching Group Report (softcopy only)	\$980 per core subject \$520 per elective subject

To facilitate your school in choosing the reports, a summary showing the School, Class and Teaching Group Reports applicable to your school as well as the relevant charges are given on the attached order form. Please return the completed order form, together with the required fees (by cash or by cheque made payable to “Hong Kong Examinations and Assessment Authority”), to the HKEAA Southorn Centre office (Address: 12/F, Southorn Centre, 130 Hennessy Road, Wan Chai) on or before **20 October 2015**.

If the order form and payment from your school are received before the deadline, we will be able to provide the softcopy of the reports (i.e. the CD-ROMs) in mid-November 2015 and the printed copies of the reports in early December 2015. However, for orders received after the deadline, the delivery date of the reports will be delayed and it is possible that only the softcopy of the reports would be provided.

In case of enquiries, please contact Mr. K.W. Lok at 3628 8950.

Yours sincerely
