Hardcopy of entry forms will **not** be accepted.
- (b) School Principals and School Examination Officers (SEOs) are advised to read carefully the ‘Guides to Schools for Preparing Entries – June Registration’ (*Annex 1*), which introduces the step-by-step registration procedures, and highlights the important points to note and the documents to be downloaded. Please observe the important dates summarised in *paragraph 5* below for the administrative work to be carried out during the period.
- (c) All six Category C subjects, viz. French, German, Hindi, Japanese, Spanish and Urdu, will be offered in the November 2022 series examination. The AS level question papers of Cambridge Assessment International Education (Cambridge International) will be used in the Category C examinations. There is no speaking component for the Hindi and Urdu examinations. For details about the selection of subjects, please refer to *Part 1 of Annex 1*.
- (d) Before submitting their students’ registration entries to the HKEAA, schools should make sure that all students entering for the Category C (Other Languages) subject examinations are bona fide Secondary 6 students in the school year 2022/2023. If any candidates are not promoted to Secondary 6 in the school year 2022/2023 after entry submission, schools should submit the form ‘Withdrawal from Examination – School Candidate’ to the HKEAA **on or before 16 August 2022**. Please refer to the details in *Part 11 of Annex 1*.

The timetable for Category C (Other Languages) subject examinations is given in *Annex 3*. The examination results will be released tentatively by **late January 2023**.

4. New arrangements for September Registration of the 2023 HKDSE

To facilitate the smooth conduct of public examinations, the Authority has embarked on the use of Public Examinations and Communication & Support System (PECSS) and Attendance and Script Tracking System (ASTS) to support the conduct of written examinations since 2007. With a view to enhancing the system functions by making use of the latest technology, a new digital platform, i.e. Public Examinations

Support System (PESS2) is being developed which will replace the existing PECSS and ASTS in phases by 2024. Under the new digital platform, candidates' photographs will be displayed on the application interface used by the Centre Supervisors and invigilators of the assigned examination centre, so as to facilitate invigilators in verifying candidates' identity during the examinations. The development of this new system and the implementation arrangements will be announced at the later stage.

To meet the above enhanced identity verification process, the Authority will introduce a new function 'Candidate Photo Submission' in the Registration System starting from the September Registration of the 2023 HKDSE to collect candidate photographs. After inputting/uploading candidates' entries, School Examination Officers (SEO) are required to upload the candidate photographs by batches to the Registration System. To enable schools to make necessary preparation for this new arrangement, the photograph requirements are provided below for schools' advance information:

Filename :	Class Name & Class No. (Example: 6A01.jpg, 6A02.jpg.....6A31.jpg); <u>or</u> Candidate No. (Example: 231234567.jpg) <i>(Choose any one of the above format as the filename)</i>
File type:	JPEG, JPG
Photo background colour:	Plain light-coloured background
File size	1 MB or below
Acceptable resolution and dimension:	At least 300 dpi At least 450 pixel (Width) X 600 pixel (Height) [Aspect Ratio: 3:4]

The candidate photograph will then be printed on the 'Checking of Candidate Entry Information Checklist (CEIC)' for verification by individual candidates. To facilitate schools in checking candidates' photographs, a new report 'Candidate Photo Summary' will also be provided. The completed entries with the photograph files should be submitted to the School Principal for endorsement before the deadline of registration. The image files will be deleted upon completion of the examination. More details about the September Registration will be promulgated via a school circular in early September 2022. Besides, the Authority will introduce the above new function and workflow to schools at the online briefing session in mid-September 2022.

3. Completing the Registration Entries

* The Finance Committee of the Legislative Council has approved a financial commitment for the Government to pay the examination fees for eligible school candidates sitting the 2023 HKDSE. Please refer to the detailed arrangements in **Part 4 – Examination Fees of Annex 1 and Appendix A**.

3.1 Enter Registration Data

All candidates' registration data should be entered into the Registration System by SEOs via one of the following methods:

Method 1

Transmitting data files by class through the Communication & Delivery System (CDS) of the WebSAMS to the Registration System.

Please read the enclosed '**Supplementary Information for Schools Using WebSAMS**' (*Annex 2(a)*) for the detailed procedures.

Method 2

Generating data file(s) from the school's own computer system and then uploading to the Registration System.

Schools are advised to:

- verify the default school subject codes in the Registration System before uploading the data file.

Method 3

Creating the entries in the Registration System one by one.

Check carefully before submitting the entries to School Principal for endorsement:

- The candidates' full names in English and Chinese **MUST BE IDENTICAL** to those shown on their identification documents. **Candidates should also use the same identification document number for both the HKDSE registration and JUPAS/tertiary institution application.**
- Extra care must be exercised in indicating the **choice of Category C subject(s).**
- To facilitate the HKEAA in contacting candidates or disseminating important examination-related information to them via email (or SMS in case of emergency), candidates should be asked to provide their email addresses (**mandatory**) and SMS phone numbers (**optional**). [See  below for more information.]

Points to Note about Candidates' Email Account:

- Schools that will provide email addresses under their school email domain to their candidates are reminded to notify the internet service provider to accept the email domain of HKEAA (i.e. @hkdse.hkeaa.edu.hk and @hkeaa.edu.hk) before registration.*
- Candidates who do not have an email address should set up an account and must not use shared email accounts.*

3.2 Print Candidate Entry Information Checklists (CEICs)

- After completing the entry of the registration data into the System, SEOs should print the **Candidate Entry Information Checklists (CEICs)** for the candidates concerned to verify their entry data and update the registration records if requests for amendment are received from the candidates.
- Candidates should sign on their CEIC to confirm that all information contained therein is correct.
- Schools should keep the **original** copy of all signed CEICs for record and are advised to make a photocopy for each of their candidates for their future reference.
- A supplementary fee will be charged to the candidates on any request for addition/substitution/deletion of subjects made after endorsement by the School Principal while the required subject fees of school candidates of the 2023 HKDSE will be paid by the Government.

Upon the school principal's endorsement, the payment status of all eligible school candidates' entries will be updated as 'Paid' after submission to the HKEAA.

Supplementary Information for Schools Using WebSAMS

Schools should refer to the Examination Circular No. (11) 2021/2022 when reading this annex.

School Choosing to Use WebSAMS for Registration of Candidates

1. School may choose to use the HKEEA module within the Web-based School Administration and Management System (WebSAMS) to process examination entries for the coming HKDSE. Schools may join the WebSAMS on a voluntary basis for the purpose of examination processing in 2023. In case the following circumstances are applicable, principals of schools are requested to complete the attached reply slip and return it to the Authority by fax (Fax No.: 3628 8990) on or before **30 June 2022**.
 - (1) For schools that have used WebSAMS for the September Registration of the 2022 HKDSE as listed at *Annex 2(b)*, it is assumed that they will continue to use the HKEEA module of the WebSAMS to transmit the examination entries to the Registration System. As such, principals of these schools need **not** complete the reply slip. Should any school principals **decide to the contrary**, they are requested to inform the Authority using the reply slip provided.
 - (2) For schools intending to use the HKEEA module of the WebSAMS to transmit the examination entries to the Registration System but are **not** on the school list at *Annex 2(b)*, please inform the Authority by completing the reply slip and return it to the Authority by the above deadline.

Points to Note for Using WebSAMS

2. WebSAMS System Upgrade

Schools using WebSAMS should upgrade the WebSAMS BUILD version **3.0.0.26052022 or above**, which is now available for download from the WebSAMS Central Document Repository (CDR) [<https://cdr.websams.edb.gov.hk> > 版本升級].

3. Parameter File

The Authority will transmit the Parameter File including the subject and component table for the 2023 HKDSE to each school on **Friday, 24 June 2022**. Schools should decrypt the CDS message at WebSAMS CDS module (CDS > Incoming Message) and import the Parameter File at HKEEA module (HKEEA > HKDSE > HKDSE Data Communication > Process Incoming Data). If the Parameter File was not received by **4:00 pm, 24 June 2022**, schools concerned should contact the Public Examinations Information Centre (PEIC) of the HKEEA at 3628 8860 as soon as possible.

4. **Steps to be Processed in WebSAMS**

WebSAMS schools should follow the steps below to prepare their candidates' entry data for the June registration by transmitting the data file(s) via CDS:

Step 1: Start Inter-Year Processing (IYP) or Migrate to New School Year

According to Regulation 3.2 of the 2023 HKDSE Examination Regulations, only bona fide Secondary 6 students or Secondary 4/Secondary 5 repeaters who are going to complete Applied Learning courses in the school year 2022/2023 may enter for the 2023 HKDSE. In this connection, schools are required to start the IYP to promote their students to Secondary 6 and attach subjects to the students for the school year 2022/2023 using the 'School Management > Plan New School Year', 'Student > Profile' and 'Student > Subject Setup' functions on WebSAMS if they have not done so. For details, please refer to the WebSAMS User Manual on Inter-Year Processing [<https://cdr.websams.edb.gov.hk> > 模組資料 > 學校管理].

Step 2: Maintain Subject Mapping and Examination Language

It is most important for schools to maintain the mapping of the subjects to be entered by their students to the Category C (Other Languages) subjects of the HKDSE (i.e. November 2022 series) as well as mapping the language version and paper (if required) at HKEAA module (HKEAA > HKDSE > Subject Mapping and Examination Language > School Subject). Schools may use the Report 'Outstanding Subject Mapping and Examination Language Status List (R-HKE049)' to check whether there is any missing subject mapping.

Step 3: Maintain Registration Data

- (1) As a preliminary check on student particulars data prior to the extraction of registration data, schools may make use of the Report 'Student with Missing/Invalid Particulars (HKDSE Registration) List (R-HKE050)' at HKEAA module (HKEAA > HKDSE > Report) to detect any relevant data errors and then take follow up action accordingly.
- (2) Schools should generate the candidates' entries through the 'Maintain Registration Data' function at HKEAA module (HKEAA > HKDSE > Maintain HKDSE Registration Data). Please note that **only the selected candidate records will be generated and transmitted through CDS module to the HKEAA Registration System. Schools should carefully check the subjects for each student in this step.**
- (3) To facilitate the HKEAA in contacting candidates or disseminating important examination-related information to them via email or SMS in case of emergency, the candidates should be asked to provide their email addresses (mandatory) and SMS phone numbers (optional). Schools may update the above information in the corresponding student's profile in WebSAMS Student module (Student > Profile > Address).

Step 4: Transmission of Data Files from WebSAMS to HKEAA Registration System

Schools should confirm the generation of data file **by class** in HKEAA module (HKEAA > HKDSE > HKDSE Data Communication > Prepare Outgoing Data). Once the data file(s) of specific class(es) is/are confirmed, CDS message(s) will be created in the CDS module. Schools should preview and encrypt the specific message(s) at CDS module (CDS > Outgoing

Message) before the start of transmission. In case of any transmission failure, schools should resend the data file again as soon as possible. Re-transmission after the closing date of registration is **not** allowed and will be regarded as late entries.

After the file(s) has/have been successfully transmitted to the HKEAA Registration System, SEO should proceed with the follow-up steps in the Registration System, including modifying individual candidates' entries (if necessary), printing Candidate Entry Information Checklists (CEIC) for distribution to candidates for checking and confirmation of their entry data and submission to Principal for endorsement. Principals should endorse all candidates' entries on or before 13 July 2022. **Any late submission after 13 July 2022 will incur a supplementary fee.**
