Dear Principal,

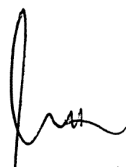

### Use of Calculators in HKDSE/HKAL Examinations 2013

I enclose 5 copies of the list of permitted calculators that candidates can bring into the examination room for the captioned examinations. Please display copies of the list in your notice boards or in classrooms for the information of your Secondary 6 students who will be taking the 2013 HKDSE. Please ask them to ensure that their calculator models are on the permitted list.

Please also remind your students that the calculators brought into the examination room must have been pad-printed with the “**H.K.E.A. APPROVED**” / “**H.K.E.A.A. APPROVED**” label, or else they may receive a mark penalty. Candidates may be disqualified from the whole examination if they bring in unapproved calculators which are capable of giving them unfair advantage from retrieving materials/information stored therein.

Candidates who want to have their calculators pad-printed should refer to the timetable for pad printing service as listed in the “**Handbook for Candidates**”. Copies of the Handbook will be distributed to candidates in early December 2012.

Yours faithfully,

Margaret Hui (Ms.)  
General Manager  
School Examinations and Assessment Division

To: Principals presenting candidates for
