Dear Principal,

**Hong Kong Diploma of Secondary Education Examination (HKDSE)  
Use of Calculators in 2016 Examination**

Attached is the list of permitted calculators that candidates can bring into the examination room for the captioned examination. Please print it out and display the list on your notice boards or in classrooms for the information of your Secondary 6 students who will be taking the 2016 HKDSE. Please ask them to check and ensure that their calculator models are on the permitted list.

Please also remind your students that the calculators brought into the examination room must have been pad-printed with the “**H.K.E.A. APPROVED**” / “**H.K.E.A.A. APPROVED**” label, or else they risk a mark penalty. Candidates may be disqualified from the whole examination if they bring in unapproved calculators which are capable of giving them unfair advantage from retrieving materials/information stored therein.

Candidates who wish to have their calculators pad-printed should refer to the timetable for pad printing service as listed in the “**Handbook for Candidates**”. Copies of the Handbook will be distributed to candidates by mid December 2015.

Yours faithfully,

Margaret Hui (Ms.)  
General Manager  
School Examinations and Assessment Division

To: Principals of schools participating in HKDSE examination
