Dear Principal,

**Hong Kong Diploma of Secondary Education Examination (HKDSE)
Use of Calculators in the 2021 Examination**

Attached is the list of permitted calculators that candidates can bring into the examination room for the captioned examination. Please bring this to the attention of your Secondary 6 students who will be taking the 2021 HKDSE, and ask them to check and ensure that their calculator models are on the permitted list. At the same time, schools may print out the list and display it on your notice boards or in classrooms when face-to-face classes are resumed.

Please also remind your students that the calculators brought into the examination room must have been pad-printed with the **'H.K.E.A. APPROVED'** / **'H.K.E.A.A. APPROVED'** label, or else they risk a mark penalty. Candidates may be disqualified from the whole examination if they bring unapproved calculators which are capable of giving them unfair advantage from retrieving materials/information stored therein.

Candidates who wish to have their calculators pad-printed should refer to the timetable for pad printing service as listed in the **'Handbook for Candidates'**. The electronic version of the Handbook will be available on the HKEAA website (www.hkeaa.edu.hk) by mid December 2020.

Yours faithfully,

Margaret Hui (Ms.)
Head of School Examinations & Assessment

To: Principals of schools participating in the HKDSE
