To: Principals of HKDSE Participating Schools

Dear Principal,

Professional development programmes for Hong Kong Diploma of Secondary Education Examination (HKDSE)

I write to inform you about the details of the professional development programmes to be conducted in the coming month, including Briefing Sessions on 2021 HKDSE and Teachers' Conferences on School-based Assessment (SBA). In the Briefing Sessions, teachers would be updated on the requirements of the examinations, marking criteria and candidates' performance in the 2021 examination. For the Teachers' Conferences on SBA, teachers would be provided with the 2021-22 SBA work schedule, submission arrangements and latest updates about the SBA of their subject. The information and feedback would be useful to teachers and students regarding learning, teaching and assessment of the subject concerned.

In light of the COVID-19 pandemic situation, the programmes may take the form of face-to-face meeting, webinar or downloadable PowerPoint presentation (mostly supplemented with a voiceover narration). Details of the programmes to be held in **December 2021** are provided in the later part of this letter.

For PowerPoint presentations, details of the download arrangements are provided in **Annex 1**. The files will be available for download until 31 December 2021. Please kindly remind your staff concerned that these presentation materials are for teachers' reference only and should not be divulged to any unauthorised parties. The PowerPoint presentations (without a voiceover narration) will also be uploaded to the HKEAA website (www.hkeaa.edu.hk/en/sba) by December 2021.
