To: Principals of HKDSE Participating Schools

Dear Principal,

Professional development programmes for Hong Kong Diploma of Secondary Education Examination (HKDSE)

I write to inform you about the details of the professional development programmes to be conducted in the coming months, including Briefing Sessions on 2022 HKDSE and Teachers' Conferences on School-based Assessment (SBA). In the Briefing Sessions, teachers would be updated on the requirements of the examinations, marking criteria and candidates' performance in the 2022 examination. For the Teachers' Conferences on SBA, teachers would be provided with the 2022-23 SBA work schedule, submission arrangements and latest updates about the SBA of their subject. The information and feedback would be useful to teachers and students regarding learning, teaching and assessment of the subject concerned.

In light of the COVID-19 pandemic situation, the programmes may take the form of face-to-face meeting, webinar or downloadable PowerPoint presentation (mostly supplemented with a voiceover narration). Details of the programmes to be held in *September* and *October 2022* are provided in the later part of this letter. As regards programmes scheduled for November and December 2022, schools will be informed of the details in due course.

The enrollment arrangements for the programmes in October are as follows:

- For programmes using admission ticket, a set of ticket(s) for your school is enclosed in **Annex 1**. No prior registration is necessary. Participants are requested to bring along the completed ticket and present it to our staff at the specified session.
- For programmes using the Education Bureau Training Calendar (TCS), please enroll through the website <http://tcs.edb.gov.hk>.
