To: Principals of HKDSE Participating Schools

Dear Principal,

**Hong Kong Diploma of Secondary Education Examination (HKDSE)
Support Measures for School-based Assessment System (SBA System) and updates on Conduct of SBA**

Further to our letter dated 15 September 2025 (Ref: DSE/SBA/GEN25/1), I write to provide you with the following documents and information regarding the conduct of School-based Assessment (SBA).

1. Support Measures for School-based Assessment System (SBA System)

The SBA System (www.hkdse.hkeaa.edu.hk) will be launched on 2 January 2026 for schools to enter SBA marks of subjects with SBA for the 2026 examination cohort. For details about the submission schedule of individual subjects, please refer to the schedule appended to our letter dated 15 September 2025 (Ref: DSE/SBA/GEN25/1)

(https://www.hkeaa.edu.hk/DocLibrary/Circulars/HKDSE/2026HKDSE_SBA_Schedule-E.pdf).

The User Manual of the SBA System is available on the HKEAA website (www.hkdse.hkeaa.edu.hk). Teachers can make reference to the manual in completing the submission. Apart from the User Manual, a range of support measures will be provided to familiarise teachers with the mark submission procedures and to address any queries they may have (*Annex I*).

Our record reveals that some schools have not yet created teachers' accounts in the School Information Management Online Service. I would be grateful if you could check and, if necessary, remind your School Administrator to create accounts for teachers in order to facilitate them to complete the mark submission on time.

2. SBA District Coordinators for the School Year 2025-26

The HKEAA has appointed SBA District Coordinators (DCs) to support schools in administering the SBA this year. *Annex 2* shows the DCs supporting individual subjects offered by your school. I would be grateful if you could bring the attention of your subject teachers to this arrangement and encourage your School Coordinators/teachers to consult their DCs on the planning and conduct of SBA. If there is any change of teachers teaching subjects with SBA during this school year, School Administrator should update the staff profiles in the School Information Management Online Service (www.hkdse.hkeaa.edu.hk/) as soon as possible. This will ensure that important information about SBA operation can reach relevant subject teachers promptly.

I should be grateful if you could bring the attention of relevant staff to the above arrangements and remind them to complete the mark submissions on time. Thank you again for your continuous support in implementing SBA and providing professional assessments to students. Should you have any queries, please contact our SBA Team at 3628 8064 or 3628 8070.

Yours sincerely,
