Dear Principal,

School Survey on the Assessment Frameworks and Examination Papers of the 2012 HKDSE Examination

With the completion of the first cycle of implementation of the NSS curriculum and the first conduct of the HKDSE Examination in 2012, the Curriculum Development Institute (CDI) and the Hong Kong Examinations and Assessment Authority (HKEAA) are conducting a review of the NSS curriculum and assessment, with a view to further improving the implementation as well as learning and teaching for our students.

In this regard, we would like to invite panel heads from participating schools to complete an online survey **from 16 August to 10 September 2012** to indicate their schools' views on the 2012 HKDSE assessment framework and the examination papers of individual subjects (including the School-based Assessment (SBA) component, if applicable). Your school's views will provide us with valuable input in further improving the public assessment arrangements for future HKDSE Examinations.

School principals are requested to bring this to the attention of their panel heads and encourage them to complete the survey on time. Panel heads may get access to the questionnaire through the following link: <http://esurvey.hkeaa.edu.hk/TakeSurvey.aspx?SurveyID=7ILJ469>
Please note that both the username and password for panel heads to login the survey are their school's **5-digit HKDSE School Code**.

Since the survey is conducted on a school basis, please request your panel heads to consult their panel members and provide a consolidated reply for the panel.

Should you have any questions about this survey, please contact Ms Maria Fung at 3628 8070.

Thank you for your cooperation.

Best regards,

Christina Lee (Mrs)
