The HKEAA is an independent, self-financing statutory body, established in 1977. It plans and conducts public examinations and assessments in Hong Kong, both on its own and in cooperation with others, and engages in related activities and services.

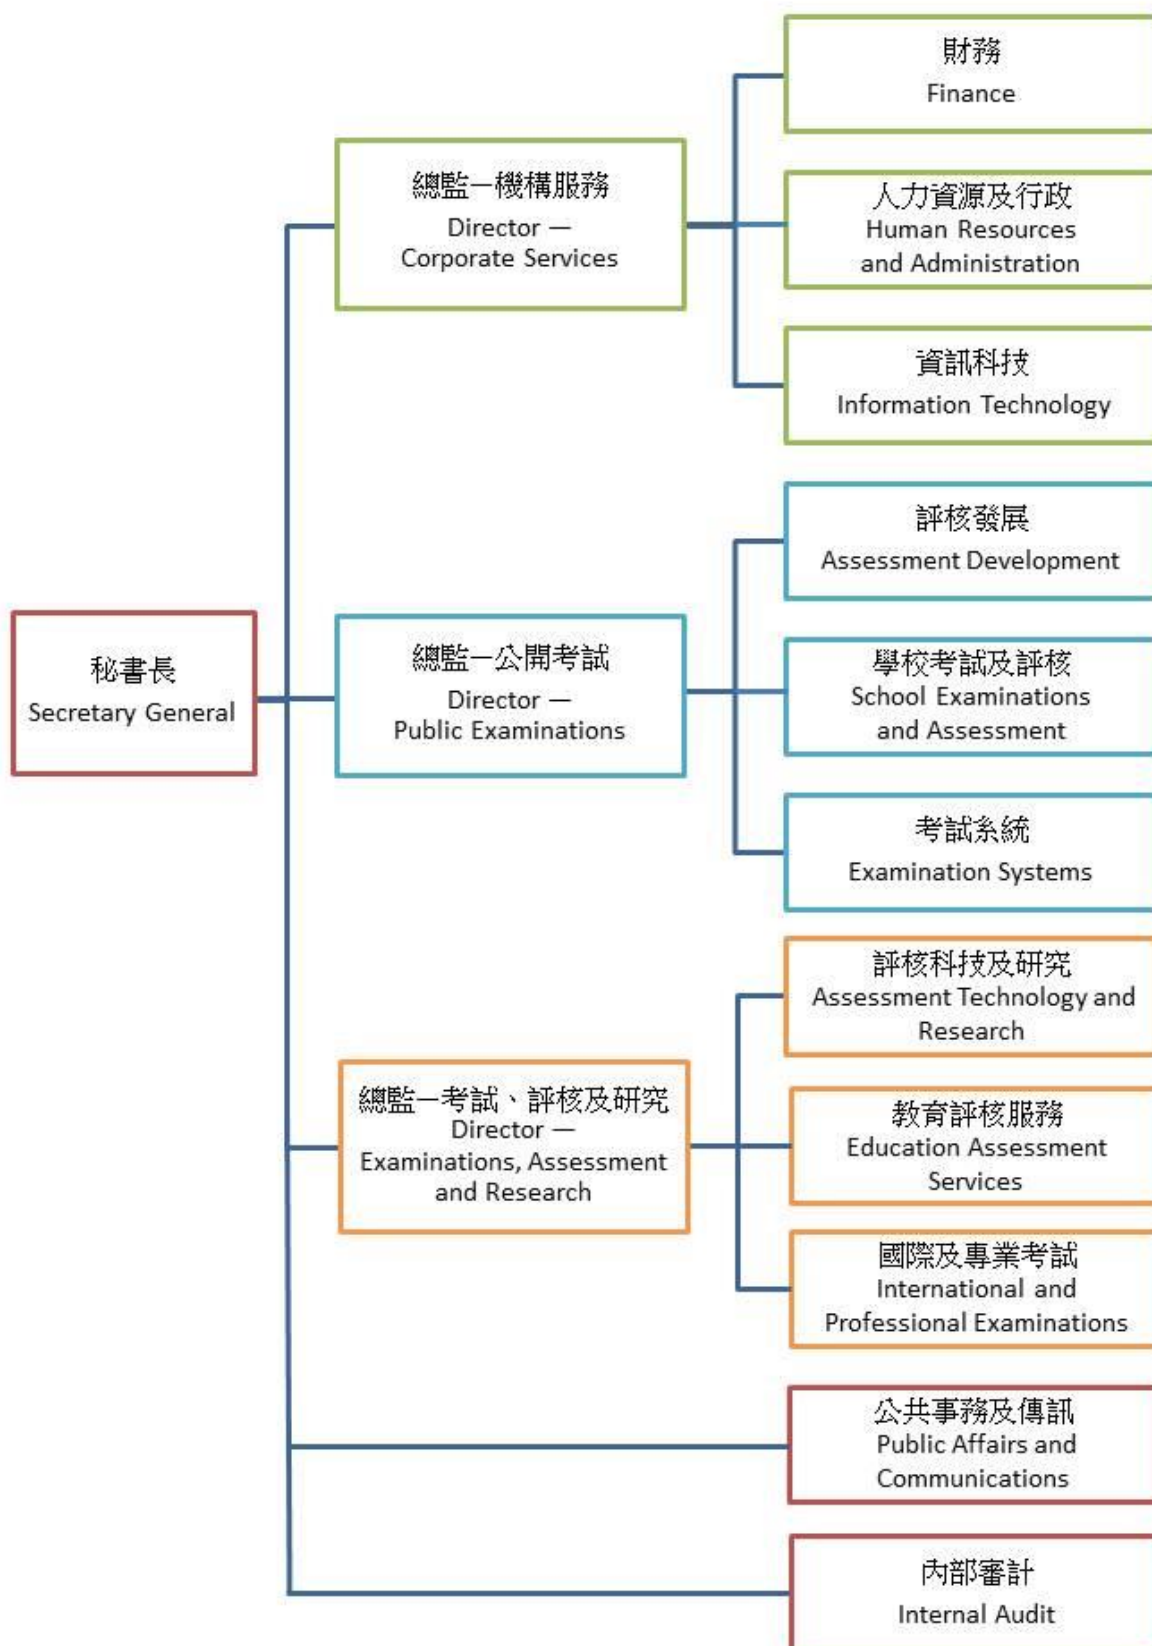

The Council: The Authority has 17 members including the Secretary General of the HKEAA. Except the Secretary General, members are drawn from the school sector, tertiary institutions, government bodies and persons experienced in commerce, industry or a profession in Hong Kong. Members are either appointed by the Chief Executive of the Hong Kong SAR Government, nominated by the Heads of Universities Committee or are ex-officio members. They form the Council which is the highest governing body responsible for formulating examination policies and monitoring the work of the Authority. The governance of the major activities of the HKEAA is supported by various standing committees appointed by the Council.

The Secretariat: Led by the Secretary General, the Secretariat of the HKEAA has about 330 full-time employees, including specialists in the development and administration of examinations and assessments, as well as technology and other areas of research.

In addition to the full-time workforce, thousands of examination personnel provide assistance with public examinations annually. Most of them are teachers in secondary schools and universities. 為方便傳媒採訪，我們可向傳媒提供獲准在考試後攜離試場的試題副本。如有需要，可聯絡考評局公共事務及傳訊組提出要求。

為確保考試機密及公平，傳媒如從其他渠道自行取得試題，必須確保在有關科目/卷別的考試完卷後才公開刊出試題相關內容。由於各試場的實際開考及完卷時間會有差異，應在**原定完卷時間的最少一小時後**始作出有關試題內容的報道。

考評局保留試題的版權，試題副本只作輔助報道及核實資料之用，不得整份試題或不合比例地轉載或刊登。

2. 語文科及通識教育科《考核簡介》

為讓傳媒了解試卷設計及命題原則，考評局就中國語文、英國語文及通識教育科向傳媒提供《考核簡介》。考評局保留《考核簡介》的版權，有關資料一般於當日考試後提供予傳媒參考及報道，不得整份或不合比例地轉載或刊登。

此外，《考核簡介》只供傳媒機構與報道文憑試相關之人士參考。如有記者需要索取有關資訊，請直接聯絡考評局公共事務及傳訊組。如有人在未得考評局授權下轉載有關資料，我們會作適當跟進，並保留追究權利。

In view of the widespread concern over the delivery of the HKDSE, and to foster public understanding of examination operation and assessment requirements, the HKEAA has been facilitating news reporting through arranging news photo call at the examination centres, providing reference materials to enhance understanding of assessment requirements, etc.

To ensure the fairness of the HKDSE, and to protect the privacy and interests of candidates, examination personnel and examination centres, we urged journalists and media organisations to adhere to the following guidelines when reporting about the HKDSE.

1. Republishing/Repurposing HKDSE Examination Papers

To facilitate news reporting, the HKEAA can provide copies of examination papers to the media for reference after the examinations concerned. Only papers allowed to be taken away from the examination centres will be provided to journalists. All requests for copies of examination papers have to be made to the Public Affairs and Communications Unit (PACU) of the HKEAA.

To ensure examination confidentiality and fairness, the content of any HKDSE examination papers are embargoed till the end of the examination concerned. Since the start and end time may vary among different examination centres, any reports about the content of the examination papers should be released **at least 1 hour after the scheduled end time of the examination concerned.**

The HKEAA retains the copyright of the examination papers. The examination papers are only provided to facilitate news reporting and fact checking. Media organisations should NOT print or republish the examination paper in full, or include the content of the examination paper disproportionately in news reports.

2. Overview of Examination Questions for Liberal Studies and Language Subjects

To facilitate media reporting of the question setting and assessment design, the HKEAA has provided backgrounder of examination papers for the HKDSE Chinese Language, English Language and Liberal Studies. The HKEAA retains the copyright of these backgrounders, and will release it to the media after the examination concerned has finished. Media organisations are asked NOT to print or republish the document in full or excessively.

Besides, the backgrounders are restricted to journalists or editors related to reporting on the HKDSE within their organisation. Requests for the backgrounder should be made to the PACU of the HKEAA directly. We reserve the right to take action against anyone who have disclosed the information concerned without the Authority's authorisation.

3. Photography/Filming at Examination Venues

A pool arrangement has been put in place to facilitate news reporting while minimising disruption to candidates and examination process. According to the Centre Supervisors' Handbook, an HKDSE examination centre refers to the school hall and the area within

two metres outside its entrance; while for classroom centres and special rooms for listening examinations, they include both the classrooms and the corridor outside. In accordance with the HKEAA's policy to protect candidates' interests and privacy, and to ensure security and equity of the examination, photo-taking and filming are NOT allowed without the HKEAA's permission.

To avoid affecting candidates and the conduct of the examinations, the press is requested to adhere to the following guidelines when filming at examination venues:

- Any close up of the faces of candidates are not allowed.

D. 全港性系統評估 Territory-wide System Assessment (TSA)

全港性系統評估是一項低風險的評估，主要評估學生在第一至第三學習階段完結時在中、英、數三科的基本能力。評估在 2004 年首次於小三推行，2005 年推展至小六，並於 2006 年進一步推展至中三。評估的數據及資料有助學校及教師具體地了解學生在基本能力方面的強項與弱項，從而優化學與教。
