The Public Affairs and Communications Unit (PACU) serves as the primary point of contact for the media. Journalists seeking information about the HKEAA or wishing to arrange interviews with our staff members should contact PACU. We will offer relevant information and support as needed.

Apart from the HKDSE, the HKEAA also administers examinations and assessments for various organisations, including the Territory-wide System Assessment (TSA) and a wide range of international and professional examinations. We can only comment on or disclose examination-related information with prior authorisation from the relevant examination body. Press enquiries should be directed to the examination body concerned.

### 3. 採訪及報道須知 Guidelines on News Reporting

#### A. 於考評局場地或試場拍攝或錄影

##### Photography and Filming on HKEAA Premises or at Examination Centres

所有於考評局場地或試場進行的拍攝或錄影均須事先申請。建議傳媒於拍攝或錄影前最少五個工作天提出申請。

All photo-taking, filming or video-recording on HKEAA premises or at examination centres require prior approval from the HKEAA. Requests should be submitted to PACU at least five working days before the target date for filming.

#### B. 文憑試採訪及報道須知

##### Guidelines on News Reporting of the HKDSE

考評局為促進公眾認識文憑試的運作及評核要求，將透過安排聯合拍攝、提供評核參考資料等，輔助傳媒採訪及報道各項活動。

為免影響考試的公平公正，並保障考生、考務人員及試場學校的私隱及權益，以下介紹有關文憑試採訪及報道的須知，敬請各傳媒機構留意與合作。

##### i. 刊登或轉載文憑試的試題

為方便傳媒採訪，我們可向傳媒提供獲准在考試後攜離試場的試題副本。如有需要，可聯絡考評局公共事務及傳訊組提出要求。

為確保考試機密及公平，傳媒如從其他渠道自行取得試題，必須確保在有關科目/卷別的考試完卷後才公開刊出試題相關內容。由於各試場的實際開考及完卷時間會有差異，應在**原定完卷時間的最少一小時後**才能作出有關試題內容的報道。

考評局保留試題的版權，試題副本只作輔助報道及核實資料之用，不得整份試題或不合比例地轉載或刊登。

##### ii. 中國語文科及公民與社會發展科《考核簡介》

為讓傳媒了解試卷設計及命題原則，考評局就中國語文及公民與社會發展科向傳媒提供《考核簡介》。考評局保留《考核簡介》的版權，有關資料一般於當日考試後提供予傳媒參考及報道，不得整份或不合比例地轉載或刊登。

此外，《考核簡介》只供傳媒機構與報道文憑試相關之人士參考。如有記者需要索取有關資料，請直接聯絡考評局公共事務及傳訊組。如有人在未得考評局授權下轉載有關資料，我們會作適當跟進，並保留追究權利。

### iii. 拍攝文憑試試場

考評局會按需要為傳媒安排聯合拍攝，以減低對試場及考生的影響與干擾。根據《試場主任手冊》規定，文憑試試場範圍包括禮堂試場及其入口以外的兩米地方；課室及聆聽考試特別室的試場則包括課室及外面的走廊。為保障考生的利益與私隱，同時確保考試的機密與公平，傳媒機構代表**不得**在未經考評局許可下，進入試場範圍內拍攝。

為免影響考生及考試過程，傳媒於試場內拍攝時必須關掉手提電話或其他通訊器材，以及不可使用閃光燈或其他任何燈光。拍攝時並須注意以下事項：

- 不可近鏡及正面拍攝考生的樣貌；
- 避免清晰拍到考生的身分證明文件、准考證及電腦條碼貼紙的個人資料；
- 不可拍攝試題及考生答卷的內容。

The HKEAA will facilitate news reporting by arranging news photo calls at the examination centres and providing reference materials to foster public understanding of examination operations and assessment requirements.

To ensure the fairness of the HKDSE and to protect the privacy and interests of candidates, examination personnel and examination centres, we urge journalists and media organisations to adhere to the following guidelines when reporting on the HKDSE.

#### i. Republishing/Repurposing HKDSE Examination Papers

To assist with news reporting, the HKEAA can provide the media with copies of examination papers, but only after the relevant examinations have concluded. These copies can be taken from the examination centres. Any requests for examination paper copies should be directed to the PACU.

To ensure examination confidentiality and fairness, the content of any HKDSE examination papers is embargoed until the end of the examination concerned. Since the start time and end time may vary among different examination centres, any reports about the content of the examination papers should be released at least **one hour after the scheduled end time of the relevant examination**.

The HKEAA retains the copyright of the examination papers. They are only provided to facilitate news reporting and fact-checking. Media organisations should NOT print or republish the examination papers in full or include their content disproportionately in news reports.

#### ii. Overview of Examination Questions for Citizenship and Social Development and Chinese Language Subjects

To facilitate media reporting of the question setting and assessment design, the HKEAA will provide a backgrounder of examination papers for the HKDSE Chinese Language and Citizenship and Social Development. The HKEAA retains the copyright of these backgrounders and will release them to the media after the examination concerned has finished. Media organisations should NOT print or republish the document in full or excessively.

Besides, the backgrounders are restricted to journalists or editors reporting on the HKDSE within their organisation. Requests for the backgrounder should be made directly to the PACU. We reserve the right to take action against anyone who has disclosed the information concerned without the Authority's authorisation.

### **iii. Photography/Filming at Examination Venues**

A pool arrangement has been implemented to facilitate news reporting while minimising disruption to candidates and the examination process. According to the Centre Supervisors' Handbook, an HKDSE examination centre refers to the school hall and the area within two metres outside its entrance, while classroom centres and special rooms for listening examinations include both the classrooms and the corridor outside. Under the HKEAA's policy, photo-taking and filming are NOT allowed without the HKEAA's permission to protect candidates' interests and privacy and ensure security and equity of the examination.

To avoid affecting candidates and the conduct of the examinations, the press is requested to switch off mobile phones and other communication devices inside the examination centre. Flashes or lighting are not allowed. In addition, the following content is NOT permitted for photo or video shooting at examination venues:

- Any close-up of the faces of candidates;
- Any documents showing the personal data of candidates, including identity cards, admission forms, barcode labels, etc;
- The content of examination papers and candidates' answer booklets.
