## International and Professional Examinations

香港考試及評核局  
Hong Kong  
Examinations and  
Assessment Authority

The Hong Kong Examinations and Assessment Authority (HKEAA) offers a wide range of assessment services through its International and Professional Examinations Division (IPED) for over 100 organisations which include government departments, public organisations, licensing authorities, professional bodies, examination boards, awarding bodies, schools, colleges and universities from all over the world. Almost 200,000 candidates make use of these services each year.

## Categories of Examinations

Examinations administered by IPED can be broadly divided into six categories. Examples of the examinations or commissioning bodies are listed below:

## Range of Services

Most of the assessment services offered by IPED are tailored to the needs of the commissioning organisations. Major service areas include:

### Pre-examination Services

Setting and moderation of question papers  
Organising examination registration  
Preparation of examination documents, such as entry forms and information sheets to candidates, etc.  
Production of examination stationery, such as answer books and attendance docketts, etc.  
Secure printing of question papers  
Hiring examination venues  
Issuing admission forms

### Conduct of Examination

Appointment and training of invigilation personnel  
Conduct of examination  
Making arrangements for candidates with special needs  
Handling of examination irregularities

### Post-examination Services

Checking and return of examination materials to examination bodies  
Compilation of examination reports  
Shredding and destruction of examination materials as instructed by the examination bodies  
Organising the marking of answer scripts and coursework  
Scanning of multiple-choice answer sheets  
Issuing results documents  
Printing of certificates  
Certification of examination results

## Examination Support Services

- Provision of professional advice on the development and administration of examinations
- Development of examination related computer application systems
- Statistical analyses of examination results
- Sale of examination publications via HKEAA counter and Online Bookstore
- Secure storage of examination materials, such as question papers and worked scripts, etc.

## Services to Hong Kong

To meet educational and societal needs, we shall provide valid, reliable and equitable examinations and a range of assessment services in a professional, innovative, efficient and effective manner.

To support lifelong-learning and to meet the increasing demand for professional and continuing education, we will continue to seek collaboration with examination bodies worldwide in enhancing and diversifying its services.
