Distribution Arrangements for Rapid Antigen Test Kits

Candidates are reminded to check their body temperature, perform the COVID-19 rapid antigen test (RAT) and complete the '[Candidate's Declaration Form on Health](#)' before going to the examination centre on each examination day. Candidates will NOT be allowed to enter the examination centre if they have a positive RAT result on the day of examination.

School candidates will receive the RAT kits with the admission form through their respective schools, while private candidates will be notified to collect the RAT kits from one of the following HKEAA offices on designated date(s) in mid-April.

1. San Po Kong Office: 17 Tseuk Luk Street, San Po Kong, Kowloon
2. Tsuen Wan Assessment Centre: No. 7 Shing Mun Road, Tsuen Wan, NT

Candidates should ensure the safe custody of the RAT kits as the HKEAA will not provide any back-up kits. To familiarise themselves with the latest precautionary arrangements at examination centres, candidates should read the *2022 HKDSE Contingency and Precautionary Measures at Examination Centres* on the HKEAA website:
