### 2022 HKDSE History *Question Papers* booklet (English version)

The marking scheme for Paper 1 Question 3(b) on page 15 of the captioned booklet was printed incorrectly and has been revised as follows:

3. (b) **What obstacle hindered an improvement in Anglo-German relations after the Agadir crisis? Cite *two* clues from Source F to explain your answer.** [4 marks]

**L1** Vague explanation and ineffective use of the Source. [max. 2]

**L2** Clear answer with effective explanation with reference to the Source. [max. 4]

Obstacle: Divergent stances over different issues between Britain and Germany.

- e.g. - No consensus reached on naval limitations (Clue: 'Britain was willing to limit naval arms and preserve her supremacy in sea; But, Germany agreed to disarm **only if** Britain promised her neutrality in case of a continental war.')
- Different expectations on British neutrality (Clue: 'Britain did not promise her neutrality in case of Germany attacked France; But, Germany expected a guarantee of British neutrality for the agreement on **Germany's** naval disarmament.')
