Pearson Edexcel IAL Examinations – May / June 2025
Examination Timetable

Important Note: The examination timetables are decided by Pearson Edexcel and no rescheduling of the examination schedule can be requested by candidates. Please be reminded that it is the candidates' responsibilities to check the examination timetable carefully and to decide whether the examination schedule fits their personal life plan before submission of registration. **There is timetable clash for those subjects in the same examination session highlighted in Grey color. Candidates are also reminded to avoid entering those subjects which are scheduled in the same examination session or those subjects in prohibited combination.** Normally, no special arrangement will be made for those subjects with timetable clash. Candidates are required to cancel either one subject and the **examination fees paid are NOT refundable and transferable.** Please contact the HKEAA for further advice before the submission of the registration if candidates want to sit more than one subject in the same sessions. Besides, candidates who want to **sit more than one examination session on the same day must ensure that there is sufficient time between examination sessions for travelling and taking rest as these examinations may be held at different examination centres which will very likely require travelling.** Please be reminded that **the HKEAA does not guarantee all examination sessions on the same day can be allocated at the same examination centre or at the examination centre nearby.** The HKEAA will not be held responsible for candidates who fail to arrive the examination centre on time. Candidates who arrive the assigned examination centre later than the examination start time will not be permitted any extra time.
