

PEARSON EDEXCEL IGCSE EXAMINATIONS – JANUARY 2021

TIMETABLE

Timetable Clash

AVOID CLASH IN TIMETABLE

The examination timetables are decided by the Pearson Edexcel. **It is the candidate's responsibility to check carefully the relevant examination timetables (IGCSE & IAL) before submitting entries so as to avoid timetable clashes among subjects entered and prohibited combination of subjects within IGCSE examinations or across different examinations (i.e. IGCSE & IAL). Candidates should avoid to enter the subjects which are scheduled in the same session. Normally, no special arrangements will be made under such circumstances. Please contact the HKEAA for further advice before submitting the registration if candidates wish to sit different subjects in the same sessions.** Besides, candidates who wish to sit more than one examination session on the same day are advised to check and ensure that there is sufficient break time (e.g. at least two hours) between examination sessions for travelling and taking rest. These examinations may be held at different examination centres required travelling. Please pay attention to the varied start time specified below. Candidates who arrived the assigned examination centres later than the examination start time will not be permitted any extra time.
