**IMPORTANT REMINDER**

It is the candidates' responsibility to check carefully the relevant examination timetables (including GCE / IGCSE) before submitting entries so as to avoid timetable clashes among subjects entered and prohibited combination of subjects with IGCSE examinations, or across different examinations under Cambridge International (i.e. GCE & IGCSE), or across different examinations of other examination boards. Candidates should avoid entering the subjects which are scheduled in the same exam session (i.e. AM or PM session). Normally, for those subjects with timetable clash, no special arrangements will be made and candidates are required to cancel either one subject. Examination fees paid are NOT refundable and transferable to other exam centres (i.e. from HKEAA to other authorized exam centres), or from one examination to another (i.e. from IGCSE to GCE) / a later series (i.e. from May/June to Oct/Nov series) or for other purposes. Please contact the HKEAA for further advice before submitting the registration if candidates wish to sit both subjects in the same sessions. Candidates who wish to sit more than one examination session on the same day are strongly advised to check and ensure that there is sufficient break time (e.g. at least two hours) between examination sessions for travelling and taking rest. These examinations may be held at different examination centres which very likely require travelling. Candidates who arrive the assigned examination centre later than the examination start time will not be permitted any extra time.
